WEDDING GUIDE

CONGRATULATIONS

ON YOUR ENGAGEMENT!

I'm excited you're interested in my hand lettering services for your wedding. This is a special time in your life, but if we're honest with each other, sometimes the details of planning can get overwhelming. That's where I come in!

In this guide, you'll get a glimpse of the services I provide through every process of this journey--from the save the dates, custom signs for your event, thank you cards and beyond!

My goal? To help you with the little details so you can prepare for an important day.

Let's work together.

HELLO

FROM LANTA

To get started, let me introduce myself! I'm Lanta Carroll, and I first fell in love with hand-lettering a long time ago (let's take it back to middle school when I would sign hand-lettered cards with a "Lanta, Inc" logo on the back)! This memory still makes me laugh, but also puts a big smile on my face.

I love salted caramel ice cream, Gilmore Girls and spreading kindness. I'm passionate about my work, and want to help you have a special and memorable wedding day. In whatever small or large way I can help you accomplish that goal, I'm all in!

PROCESS

Look around and see what you like! When you have an idea, go ahead and message me to begin the conversation. Be as detailed as you can when you're first reaching out so I can help you create your vision!

I'll send you an invoice or contract for your project. Once I've received your payment, I'll get to work creating something you'll love!

I'll gather your supplies and send up to three drafts of your design (if applicable). When you've approved the design you love, the design will be individually hand lettered on your decided medium.

Signed, sealed, delivered. It's yours! We will decide on a delivery option that works for you- by local pick-up or by mail (additional shipping costs will apply). From there, it's your special project to enjoy!

THANK YOU

I'm honored that you're interested in working with me. Please let me know if you'd like to schedule a consultation or have any questions by contacting me at lettersbylanta@gmail.com.

I'm excited to hear about your vision for your wedding, and help make that vision a reality!

Thank you
